

Lincoln Hill Neighborhood Association

Inspiration Awards

HISTORY

In 2006 the Association established the Lincoln Hill Neighborhood Association Inspiration Awards suggested by Board member, Loretta Donlon. These special awards are given each year to those neighbors, who by their work and devotion to the landscaping of their front yards, inspire all of us to plant flowers, decorate our yards, and keep our homes looking beautiful for all to enjoy. It is through their hard work and planning that the neighborhood comes alive with color in the spring and summer creating neighborhood awareness and a true sense of pride in the Lincoln Hill area.

Through the Inspiration Awards, the Association thanks these neighbors for their hard work and gives them some well earned recognition. Each recipient receives an award certificate, a gift basket, and a free LHNA membership for next year at its Annual Hot Dog Social held in August at the Round Top in Lincoln Park.

Throughout the summer months members and those who pass through the Lincoln Hill neighborhood are asked to judge our gardeners and nominate addresses for consideration for an Inspiration Award. The Nomination Form and directions follow.
